

AHC20422 Certificate II in Horticulture

DESCRIPTION

This qualification describes the skills and knowledge for a range of entry level horticulture job roles. Individuals with this qualification carry out routine tasks under supervision where the work is predictable and structured with limited judgement requirements.

The qualification is suited to VET programs delivered to secondary school students or learners with no previous connection to the horticulture industry or relevant employment history.

No licensing, legislative or certification requirements apply to this qualification at the time of publication.

ELIGIBILITY/ENTRY REQUIREMENTS

There are no entry requirements for this qualification however to ensure you have the right skills and support to succeed in your course, a Language, Literacy and Numeracy (LL&N) evaluation helps identify any areas where you may need additional support to help you achieve your goals.

Students wishing to gain work experience are encouraged to undertake a voluntary 10 days of work placement. Support finding suitable industry placement can be arranged if requested.
