

BSB40920 Certificate IV in Project Management Practice

DESCRIPTION

This qualification reflects the role of individuals who apply project management skills and knowledge in a wide variety of contexts. The job roles that relate to this qualification may include Contracts Officer, Project Administrator and Quality Officer.

Individuals in these roles work autonomously, and might be members of a project team, with no direct responsibility for overall project outcomes. Primarily, these roles would support wider project operations. They may use project tools and methodologies selectively to support organisational or business activities.

ELIGIBILITY/ENTRY REQUIREMENTS

There are no formal entry requirements for this qualification, however, a Pre-enrolment interview will be conducted, and your lecturer will determine whether a Language, Literacy and Numeracy (LLN) assessment is necessary to establish support requirements.

It is recommended that students studying this qualification have had employment experience in understanding organisation policies, procedures and practices.

To ensure you have the right skills and support to succeed in your course, a Language, Literacy and Numeracy (LL&N) evaluation helps identify any areas where you may need additional support to help you achieve your goals.
