

# BSB50820 Diploma of Project Management

## DESCRIPTION

This qualification reflects the role of individuals who apply project management skills and knowledge in a variety of contexts, across a number of industry sectors. The job roles that relate to this qualification may include Project Manager and Project Team Leader.

Individuals in these roles have project leadership and management roles and are responsible for achieving project objectives. They possess a sound theoretical knowledge base and use a range of specialised, technical and managerial competencies to initiate, plan, execute and evaluate their own work and/or the work of others.

## ELIGIBILITY/ENTRY REQUIREMENTS

To gain entry in to BSB50820 Diploma of Project Management preferred that individuals possess a BSB40820 Certificate IV in Project Management Practice, or similar qualification; or have vocational experience in a project management related role without holding a formal qualification.

A Pre-enrolment interview will be conducted. To ensure you have the right skills and support to succeed in your course, a Language, Literacy and Numeracy (LL&N) evaluation helps identify any areas where you may need additional support to help you achieve your goals.

No licensing, legislative or certification requirements apply to this qualification at the time of publication.
