

CHC40221 Certificate IV in School Based Education Support

DESCRIPTION

This qualification reflects the role of workers who assist teachers and support student learning in a range of classroom settings under the guidance of a teacher or other educational professional. At this level, workers may be involved in facilitation of learning for a range of instructional groupings, including for those students in need of additional support. In these roles, the education support worker sources and analyses information from diverse sources, may work with limited direct supervision and could provide guidance to other workers.

Education support workers work mainly with students in classroom settings in primary or secondary schools, as defined by State/Territory legislation.

No occupational licensing, certification or specific legislative requirements apply to this qualification at the time of publication.

ELIGIBILITY/ENTRY REQUIREMENTS

Students are to complete the LLN Robot Quiz and receive a minimum of Level 3 across all five areas, as those who wish to commence this course need to have the required skills and knowledge to undertake the qualification at this level and a general command of spoken and written English to be able to meet industry standards for communication in the education sector.

Students require a suitable workplace (either voluntary or paid) in which to undertake placement.
