It includes preparing and lodging business and instalment activity statements, data processing, monthly reconciliations, preparing budgets, preparing reports on financial performance and the position of the business, preparing end-of-year adjustments, and finalising financial records after year-end.

Dealing with the Commissioner of Taxation on behalf of a taxpayer in relation to activity statements and other lodgement matters is also a key component of the role that this qualification reflects. Persons providing a BAS service for a fee or other reward must be registered by the Tax Practitioners Board (TPB) and this qualification is currently cited as meeting the TPB education requirements for registration as a BAS agent. Other requirements apply, including a designated period of experience. Persons seeking BAS agent registration should check current registration requirements with the TPB, as registration requirements are reviewed regularly.
