TAESS00026 Foundation Skills Integration Skill Set

DESCRIPTION

This skill set addresses the skills and knowledge required to identify foundation skill demands in nationally recognised training products and integrate the appropriate support, which may be in a workplace, learning or assessment context.

This skill set is for vocational education and training (VET) teachers, trainers and assessors who use a range of technical and training competencies to integrate awareness of foundation skills requirements into their training and assessment.

ELIGIBILITY/ENTRY REQUIREMENTS

To ensure a positive outcome for the student, all students entering the program must provide evidence they have access to or are engaged with a Registered Training Organisation or organisation where accredited training is being provided or an environment which reflects the training package requirements of access to a suitable practice environment where candidates have access to a learner cohort and time to develop their practice with learners.

Those entering this skill set must be able to demonstrate vocational competence in their proposed training and assessing area. Vocational competence is defined as broad industry knowledge and experience, and may include, but is not limited to, holding a relevant unit of competency or qualification.

DELIVERY DETAILS

Location(s)	Duration*	Study mode
Palmerston Alice Springs	6 months	Face-to-face, online and simulated environment

* Duration will vary depending on how long a student takes to reach the required competency level.

FEES

Fee Type	2024 Course Fees
NT Government Supported	Not available for this course
Full Fee	$900

Fees shown are indicative and subject to change annually. Actual course fees may vary depending on the units chosen. International non-student visa-holders; study eligibility needs to be verified before enrolment. Fees may vary depending on the visa type.

For further clarification and information on fees, payment options, instalment plans, and refunds, contact CDU on 1800 061 963 or refer to TAFE Fees and Payments.

ASSESSMENT

Assessments vary with each unit. You will be provided with an assessment guide.

RECOGNITION OF PRIOR LEARNING (RPL)

RPL is a process that determines whether the skills, knowledge and experience you've gained through your previous study, work or life experience can count towards a vocational training qualification at CDU. For more information, VET RPL.

RESOURCES

Student learning is facilitated through Learnline, CDU's Learning Management System. Learnline provides easy access to learning materials, live classes, lecture recordings, assignment submission points, online tests, and engagement opportunities and group work and communication tools so students can engage with their lecturer and other students.

- Students are required to have access to a recent model desktop computer or laptop with the following:
- At least 4GB RAM or higher for optimal performance
- At least 1GB of free disk space
- At least 1024 x 768 screen resolution
- Sound card and speakers
- Headphones and microphone (A combined USB or Bluetooth headphone/microphone will produce better quality than a built-in microphone when participating in online classroom discussions)
- Windows 7 or higher OR
- MAC OS10.8 or higher OR
- iOS, Android, Windows Mobile, Chrome OS
- Additionally, a high-speed broadband connection is recommended.

STUDY AND CAREER PATHWAYS

Further training pathways from this program include but are not limited to TAE40122 Certificate IV in Training and Assessment.

PROGRAM CONTENT

This training program covers three (3) units of competency taken from the TAE Training Package, which is recognised nationwide.

CORE UNITS

TAELLN423	Integrate employability skills support into training and assessment
TAELLN422	Use foundation skills resources, strategies and advice
TAELLN421	Integrate core skills support into training and assessment

WITHDRAWING FROM A PROGRAM

You may withdraw from this program and receive, where relevant, a Statement of Attainment for all units of competency you have successfully completed.
