

# Quality Policy

---

## INTRODUCTION

The University recognises the need to embed quality assurance and continuous improvement mechanisms in all major activities, if it is to efficiently and effectively operate in accordance with the [Charles Darwin University Act 2003](#), pursue its mission and meet the needs of its various client groups and stakeholders.

The University is committed to benchmarking its activities against appropriate benchmark partners, meeting or exceeding relevant national and international standards in its activities, identifying opportunities for improvement through rigorous self-assessment, and to pursuing these opportunities in a planned and monitored way.

## STATEMENT OF AUTHORITY

The authority behind this policy is the [Charles Darwin University Act 2003](#) part 3, section 15.

## COMPLIANCE

This is a compliance requirement under the [Australian Quality Training Framework](#).

## INTENT

The intent of this policy is to provide the framework and principles for establishing and reviewing the quality of activities undertaken in pursuit of the University's objectives and Strategic Plan.

## RELEVANT DEFINITIONS

In the context of this document

**AQTF** means Australian Quality Training Framework;

**Governance document** means a formally approved document that outlines non-discretionary governing principles and intentions, in order to guide University practice. Governance documents are formal statements of intent that mandate principles or standards that apply to the University's governance or operations or to the practice and conduct of its staff members and students they include the Charles Darwin University Act (2003), by-laws, policies, procedures, guidelines, rules, codes and the Enterprise Agreement;

**Senior Executive** means a staff member of the University holding the position of Vice-Chancellor, Provost, Deputy Vice-Chancellor, Pro Vice-Chancellor or Chief Financial Officer or equivalent;

**Senior Manager** means a staff member of the University holding the position of Director or Head of School or equivalent.

## POLICY

This Policy will be implemented in a way that ensures:

- Compliance with relevant legislation, national and international standards and approaches, including those outlined in the [Australian Quality Training Framework](#) and adopted by the Tertiary Education Quality and Standards Agency (TEQSA), and prevailing community standards of best practice;
- Congruence with the University's Act, mission, goals, objectives, and relevant codes of practice;
- Quality-related activities are complementary to the University's risk management activities, which have the current Australian and New Zealand Standard for Risk Management AS/NZS ISO 31000:2009 as a foundation;
- Quality-related components are an integral part of all major planning and review procedures;
- Quality-related activities are coordinated across the University;
- There is a reflection on performance through the use of client feedback, appropriate key performance indicators and benchmarking;
- There are specific quality responsibilities within the University; and
- There is transparency in the application of an approach–deployment–results–improvement loop.

Charles Darwin University is committed to:

- Developing, implementing, reviewing and promulgating governing documents to ensure that they remain current, are available for use and are well understood;
- Establishing and monitoring performance against meaningful and measurable objectives;
- Identifying competency needs and providing appropriate training and professional development for staff members to meet those needs;
- Reviewing resources to confirm that they continue to be sufficient to meet requirements;
- Maintaining dialogue with students, other clients and stakeholders to understand their needs and expectations and determine their levels of satisfaction; and
- Conducting peer reviews of major University outputs and implementing improvements suggested by such.

### Specific Responsibilities and Authorities

The Vice-Chancellor is responsible for shaping an organisational culture and environment with professional standards that is conducive to achieving the objectives of this policy.

The Deputy Vice-Chancellor is responsible for developing the University's quality framework and providing ongoing strategic advice thereon.
