Darwin, the Northern Territory's capital city, is well known as Australia's gateway to world class nature and cultural activities and experiences. With a population of approximately 100,000, it is a vibrant destination renowned for its tropical climate and colourful characters. It's a lively harbour city where the focus is on outdoor activities - eating, drinking, visiting the markets and sunset cruises on the harbour. The temperature in Darwin ensures a fabulous outdoor lifestyle and is consistently around 32 degrees maximum year round. It's the perfect place to simply relax, recharge the batteries and enjoy the relaxed laidback lifestyle with a multicultural twist!
