

## STUDENT SERVICES

# Fujitsu IT Scholarship

Fujitsu and the Northern Territory Government have entered into an agreement to provide Mainframe Applications services to Government agencies. As part of this agreement, Fujitsu has made industry development commitments to the Government to assist in developing and enhancing the capability of local business and industry in the Northern Territory, in particular the local information technology industry.

A key industry development commitment is for Fujitsu to implement a scholarship program which focuses on indigenous employment and provides opportunities for Territorians in regional and remote areas. Fujitsu has therefore established, through Charles Darwin University Foundation, the "Fujitsu IT Scholarships in Information Technology" program to encourage student participation at Charles Darwin University (CDU) and in the Territory workforce.

There are two scholarships available at the value of \$3,000 for one year, payable in two equal instalments shortly after the census date in Semester 1 and Semester 2.

If Fujitsu wishes to offer the recipient paid work placements in semester breaks a temporary contract will be offered directly to the recipient by Fujitsu.

### Eligibility

The successful applicant will:

- Be an enrolled or intending to enrol full time student at Charles Darwin University studying the Bachelor of Information Technology in 2011;
- Be an Australian citizen or a permanent resident;
- Reside in the Northern Territory; and
- Be assessed on the basis of academic merit, personal qualities and reasons for undertaking the proposed study.

People of Australian Indigenous or Torres Strait Islander descent are strongly encouraged to apply.
