

# Palmerston Regional Business Association Scholarship

The Palmerston Regional Business Association was established in its current form in September 1998. Its main aim is to promote and support business and it achieves this using a network of contacts in business, government and local government, by the clever development of their website and by the free distribution of their services directory. The Association acts as a central communication hub allowing businesses to more easily support each other as well as maintaining an extensive database of information to help businesses better plan for the future.

The Palmerston Regional Business Association Scholarship has been established to assist students studying full time at Charles Darwin University in the Bachelor of Creative Arts and Industries (Communication or Multimedia) in 2010.

The Palmerston Regional Business Association may offer the recipient work experience and the opportunity to be involved in producing the Palmerston Regional Business Association's monthly newsletter.

The value of the Palmerston Regional Business Association Scholarship is \$1,000 for one year, to be paid after the census date in Semester 1, 2010, subject to confirmation of fulltime enrolment.
