

CDU-UKM-UNIMAS

Regional Symposium and Workshop Sustainable Natural Resource Management

Bali 23 - 24 April 2009

The Symposium will focus on integrated protected area and water resource management, particularly in the areas of payments for environmental services, joint management of protected areas and associated governance issues.

The organisers invite participants to attend this international symposium and present short papers focussing on integrated conservation and management in northern Australia and South East Asia, particularly Malaysia.

Day 1	Key topic area presentations
Day 2	Integrated research program development
Registration	AUD\$100 (includes morning tea, lunch and afternoon tea)
Venue:	Bali, hotel tbc
