2011 Humanitarian Forum
LAST CHANCE TO REGISTER
CDU Offer – Staff at student prices

Join us at an upcoming workshop examining humanitarian projects overseas, and in our own backyard, and what building or rebuilding a society or community takes. This event is not just for engineers, but all those interested or involved in humanitarian projects and organisations.

Guest speakers from Timor Leste, Canberra, Katherine and Darwin will lead discussions during the 3 sessions of this workshop:

- East Timor Transitioning to a Better Future
- Engineers supporting Humanitarian outcomes in partnership with Indigenous Australia
- The Challenges of Reconstruction in Recovery

Read the full workshop program

Date 3rd November 2011
Time 8.30am to 4.30pm
Venue Darwin Convention Center
Cost Engineers Australia Members / NGO Employees - $105
Non-Members - $150
Students - $35

Register www.engineersaustralia.org.au/northern/humanitarianforum

This workshop is part of Engineers Australia's 2011 Year of Humanitarian Engineering. We hope you can join us at what promises to be a thought-provoking day of discussion and networking. Key findings from this forum will be presented at the Year of Humanitarian Engineering National Conference in Melbourne, 30 November - 2 December 2011.

If you think there is someone else within your organisation who would benefit from attending this workshop, please forward this email to them.

We hope to see you there.
