**BEHAVIOURAL INTERVIEW SKILLS**

*A 1 day course developed by the Australian Institute of Management and facilitated by Charles Darwin University.*

This course will introduce you to the tools and skills required to conduct fair and equitable workplace interviews. You will also gain insights into the selection process from designing the interview through to reference checking and final decision making.

**THIS COURSE IS RIGHT FOR YOU:**
If you are a new or experienced manager involved in the interview and selection of staff.

**YOUR EMPLOYER WILL BENEFIT BECAUSE:**
You will have the ability to make effective selection decisions which result in positive and equitable outcomes.

**LEARNING OUTCOMES:**
- Apply the principles of behavioural interviewing
- Balance the benefits and weaknesses of behavioural interviewing with other selection techniques
- Contribute to effective recruitment and selection processes
- Develop skills as an interviewer and interviewee
