

The Desert Lantern Restaurant is a training restaurant for hospitality and cookery students. We provide high-quality skills training, to industry standards. Outcomes for our students include real world experience, confidence, and nationally recognised qualifications translating into employability. We are also dedicated to creating outstanding food with as much local and NT produce as possible.

We appreciate your patience and understanding during service, and welcome any constructive comments recorded on the comments cards provided. Comments are valuable as they help to improve the standard of training provided for students.

We also encourage our patrons to share their experience on Facebook and Instagram.
