BSB41415 Certificate IV in Work Health and Safety

DESCRIPTION
This course is suitable for people working in a Work Health and Safety (WHS) role who work to provide leadership and guidance to others and have some limited responsibility for the output of others.

ELIGIBILITY/ENTRY REQUIREMENTS
No licensing, legislative or certification requirements apply to this qualification at the time of publication.

Preferred pathways for candidates considering this qualification include:
- BSB30715 Certificate III in Work Health and Safety or other relevant qualifications and/or
- Relevant vocational experience.

Please note: The Australian Core Skills Framework (ACSF) specifies required Language, Literacy and Numeracy (LLN) skill levels to enable successful participation in each qualification/training package. On enrolment, students may be asked to undertake Language, Literacy and Numeracy (LLN) testing. Each student will be able to compare their demonstrated levels to ACSF levels and discuss implications with the lecturer. Available support strategies will also be discussed, as required.
