

# AHC40916 Certificate IV in Conservation and Land Management

## DESCRIPTION

This qualification allows individuals to develop post-trade skills and knowledge to become specialists within the conservation and land management industry.

It provides individuals with skills in the lands, parks and wildlife or natural area management context and is available as a traineeship / apprenticeship.

This qualification is available to international students (CRICOS Course No. 092573A). Please refer to <http://www.cdu.edu.au/international/future-students/courses> for course and fee information.

## ELIGIBILITY/ENTRY REQUIREMENTS

CDU requires the following:

- Complete AHC31416 Certificate III in Conservation and Land Management or a relevant qualification; or
- Be employed within the conservation industry; and
- Complete a language, literacy and numeracy (LLN) assessment.

International students, please refer to:

<https://www.cdu.edu.au/international/future-students/entry-requirements#vet>

## DELIVERY DETAILS

Location (s)	Duration	Study mode
