

BSB51415 Diploma of Project management

DESCRIPTION

This qualification reflects the role of individuals who apply project management skills and knowledge. They may manage projects in a variety of contexts, across a number of industry sectors. They have project leadership and management roles and are responsible for achieving project objectives. They possess a sound theoretical knowledge base and use a range of specialised, technical and managerial competencies to initiate, plan, execute and evaluate their own work and/or the work of others.

ELIGIBILITY/ENTRY REQUIREMENTS

No licensing, legislative or certification requirements apply to this qualification at the time of publication.

To gain entry into BSB51415 Diploma of Project Management it is preferred that individuals possess a BSB41515 Certificate IV in Project Management Practice, or similar qualification; or have vocational experience in a project management related role without holding a formal qualification.

A Pre-enrolment interview will be conducted, and your lecturer will determine whether a Language, Literacy and Numeracy (LLN) assessment is necessary to establish support requirements.
