

RII20115 Certificate II in Resources and Infrastructure Work Preparation

DESCRIPTION

This qualification reflects the roles of individuals who perform mainly routine tasks and procedures, predominately in the Engineering industry, using limited practical skills and fundamental operational knowledge, and taking some responsibility for the quality of the work outcomes.

This Certificate II in Resources and Infrastructure Work Preparation is a pathway qualification and will prepare an individual in successfully undertaking a sector specified Certificate III from the Resources and Infrastructure Industry Training Package.

Licensing, legislative, regulatory and certification requirements that apply to this qualification can vary between states, territories, and Industry sectors. Relevant information must be sourced prior to application of the qualification.

Infection control, including COVID-19 measures and the associated restrictions, have been implemented to ensure the safety and well-being of students, lecturing staff and the wider community.

ELIGIBILITY/ENTRY REQUIREMENTS

There are no entry requirements for this qualification. However, students will need to demonstrate an appropriate level of language, literacy and numeracy skills and knowledge to undertake a course at this level. This qualification is suitable to both Apprentices and Non Apprentices.

DELIVERY DETAILS

Location (s)	Duration	Study mode
Casuarina Alice Springs Remote	6 to 12months - 1 to 2 semesters or 6 x 1 Week intensive blocks of training with associated work experience.	This program may be delivered on campus or on work sites. Delivery will be predominately face to face, theory / practical training and assessment will be utilizing site specific requirements and documentation (where appropriate)

2020 FEES

This course has a range of 220 to 340 hours, and thus the qualification cost is:

NT Domestic Subsidised Fees: \$748.00 to \$1,156.00

Domestic Full Fees: \$4,290.00 to \$6,630.00

Please note: A limited number of NT Government subsidy places are available for eligible NT domestic students so contact us now to secure your place for 2020.

Fees are subject to change annually. Indicative government-subsidised and full course fees are shown on this document. For further clarification and information on fees, payment options, instalment plans and refunds contact CDU on 1800 061 963 or refer to <https://www.cdu.edu.au/cdu-vet/student-guide/fees>

RECOGNITION OF PRIOR LEARNING (RPL)

Students can apply for RPL during pre-enrolment or after enrolment. Students are provided with an RPL Self-Assessment before application and followed through with and an initial interview with an assessor.

RESOURCES

Students are issued with workbooks for the unit undertaken

STUDY AND CAREER PATHWAYS

Further training pathways from this qualification include, but are not limited to Certificate II qualification within the RII Resource and Infrastructure Training Package.

Possible occupations relevant to this qualification include:

- Mine worker
- Civil construction worker
- Construction worker

QUALIFICATION CONTENT

To achieve RII20115 Certificate II in Resource and Infrastructure Work Preparation a total of nine (9) units of competency must be completed comprising three (3) core and six (6) elective units.

- at least three (3) must be chosen from Group A
- no more than three (3) may be chosen from Group B.

The electives offered may vary between campuses.

CORE UNITS

RIIWHS201D	Work safely and follow WHS policies and procedures
RIIRIS201D	Conduct local risk control
RIIENV201D	Identify and assess environmental and heritage concerns

ELECTIVE UNITS GROUP A

RIICCM201D	Carry our measurements and calculations
RIISAM205D	Cut, weld and bend materials
RIISAM207D	Apply operational maintenance skills
RIISAM203D	Use hand and power tools

ELECTIVE UNITS GROUP B

RIIBEF201D	Plan and organise work
RIICCM203D	Read and interpret plans and specifications

UNNAMED ELECTIVE UNIT

RII20115 Certificate II in Resource and Infrastructure Work Preparation Engineering and Fabrication
2020 - Version 13.01

AHCINF204

Fabricate and repair metal or plastic structures

WITHDRAWING FROM A QUALIFICATION

You may withdraw from this qualification and receive, where relevant, a Statement of Attainment for all units of competency you have successfully completed.
