

AHC30716 - Certificate III in Horticulture

DESCRIPTION

This qualification provides a general vocational outcome in horticulture. It provides a broad skill and knowledge base, and builds on skills and knowledge gained from Certificate II in Horticulture or the workplace. It may be appropriate for current or previous horticultural employees who wish to have their skills and knowledge formally recognised.

ELIGIBILITY/ENTRY REQUIREMENTS

To ensure you have the right skills and support to succeed in your course, a Language, Literacy and Numeracy (LL&N) evaluation helps identify any areas where you may need additional support to help you achieve your goals.

AHC30716 Certificate III in Horticulture is available for direct entry, however it is recommended that candidates have:

- Successfully completed AHC20416 Certificate II in Horticulture or related qualification; or
- Minimum 1 year previous/current employment within the Horticulture industry
- Trainees must have an existing work contract
