

BSB30719 Certificate III in Work Health and Safety

DESCRIPTION

This qualification reflects the role of individuals performing work health and safety (WHS) duties in addition to their main duties. They may provide technical advice and support to a team and apply a range of competencies in varied work contexts. This qualification provides the skills and knowledge required to contribute to a variety of WHS tasks.

ELIGIBILITY/ENTRY REQUIREMENTS

To ensure you have the right skills and support to succeed in your course, a Language, Literacy and Numeracy (LL&N) evaluation helps identify any areas where you may need additional support to help you achieve your goals.

To gain entry into BSB30719 Certificate III in Work Health and Safety, candidates are required to demonstrate an appropriate level of language, literacy and numeracy skills to undertake this qualification.

This includes:

- The ability to read, write and interpret a range of documentation
- Computer literacy to research the internet, send/receive email and produce word-processed documents.
