

# RII20120 Certificate II in Resources and Infrastructure Work Preparation

## DESCRIPTION

This qualification reflects the roles of individuals working in the resources and infrastructure industries who perform mainly routine tasks and procedures, using limited practical skills and fundamental operational knowledge, and taking some responsibility for the quality of the work outcomes.

This is a pathway qualification and that prepares individuals to successfully undertake a sector-specified Certificate III from the RII Resources and Infrastructure Industry Training Package.

Licensing, legislative and certification requirements that apply to this qualification can vary between states, territories and industry sectors. Users must check requirements with relevant body before applying the unit.

## ELIGIBILITY/ENTRY REQUIREMENTS

There are no formal entry requirements for this qualification. To ensure you have the right skills and support to succeed in your course, a Language, Literacy and Numeracy (LL&N) evaluation helps identify any areas where you may need additional support to help you achieve your goals.

## DELIVERY DETAILS

Location(s)	Duration*	Study mode
Casuarina Alice Springs Remote	6 to 12 months - 1 to 2 semesters or 6 x 1 Week intensive blocks of training with associated work experience.	This program may be delivered on campus or on work sites.
