

RII30820 - Certificate III in Civil Construction Plant Operations

DESCRIPTION

This qualification reflects the role of a skilled operator working with civil construction plant, who applies a broad range of skills in a varied work context, using some discretion and judgement and relevant theoretical knowledge. The individual may provide theoretical advice and support a team.

Licensing, legislative, regulatory and certification requirements that apply to this qualification can vary between states, territories, and industry sectors. Relevant information must be sourced prior to application of the qualification

ELIGIBILITY/ENTRY REQUIREMENTS

There are no formal entry requirements for this qualification. However, students will need to demonstrate an appropriate level of language, literacy and numeracy skills and knowledge to undertake a course at this level.

To ensure you have the right skills and support to succeed in your course, a Language, Literacy and Numeracy (LL&N) evaluation helps identify any areas where you may need additional support to help you achieve your goals.

This qualification is suitable to both Apprentices and Domestic students.

DELIVERY DETAILS

Location(s)	Duration*	Study mode
Casuarina Regional Remote	Depending upon individual training agreements and participants skills and knowledge this qualification will be delivered over 24 to 48 months - 4 to 8 semesters.	Predominately face to face delivery with theory and practical training and assessment utilizing site specific requirements and documentation (where appropriate). Practical training and assessment will be either on site or a simulated workplace.

* Duration will vary depending upon how long a student takes to reach the required competency level.

2022 FEES

The 2022 indicative fee for this course is between \$1,995.00 - \$2,835.00 for eligible students and receive an NT Domestic Subsidised place or between \$5,400.00 - \$16,200.00 for Domestic Full fee places. Actual fees will vary according to your choice of units.

Please note: A limited number of NT Government subsidy places are available for eligible NT domestic students, so contact us now to secure your place for 2022.

Fees are subject to change annually. Indicative government-subsidised and full course fees are shown on this document. For further clarification and information on fees, payment options, instalment plans, and refunds, contact CDU on 1800 061 963 or refer to [VET Fees and Payments](#).

ASSESSMENT

Assessments vary with each unit. You will be provided with an assessment guide.

RECOGNITION OF PRIOR LEARNING (RPL)

RPL is a process that determines whether the skills, knowledge and experience you've gained through your previous study, work or life experience can count towards a vocational training qualification at CDU. For more information, [VET RPL](#).

RESOURCES

Students are issued with resource books and student workbooks for each unit undertaken.

STUDY AND CAREER PATHWAYS

Further training pathways from this qualification include but are not limited to Certificate IV qualifications within the RII Resource and Infrastructure Training Package.

The qualification offers work in the following construction job sectors such as:

- Plant Operator
- Construction worker
- Skilled Operator
- Foreman
- Supervisor

QUALIFICATION CONTENT

To achieve RII30820 Certificate III in Civil Construction Plant Operations a total of twenty (20) units of competency must be completed comprising fifteen (15) core and five (5) elective units as detailed in the packaging rules and listed below. The electives offered may vary between campuses.

This training program can be tailored to suit individual cohorts. Exceptions to this program would need to be negotiated by the student and CDU. Selection of all electives must conform to the qualifications packaging rules. Individual programs will be considered on a mutually agreed basis.

CORE UNITS

RIIBEF201E	Plan and organise work
RIICCM201E	Carry out measurements and calculations
RIICCM202E	Identify, locate and protect underground services
RIICCM203E	Read and interpret plans and specifications
RIICCM205F	Carry out manual excavation
RIICCM206E	Support plant operations
RIICCM207E	Spread and compact materials manually
RIICCM208E	Carry out basic levelling
RIICOM201E	Communicate in the workplace
RIIRIS301E	Apply risk management processes
RIISAM201E	Handle resources and infrastructure materials and safely dispose of non toxic materials
RIISAM203E	Use hand and power tools
RIISAM204E	Operate small plant and equipment
RIIWHS201E	Work safely and follow WHS policies and procedures
RIIWMG203E	Drain and dewater civil construction sites

ELECTIVE UNITS GROUP A

RIIMPO318F	Conduct civil construction skid steer loader operations
RIIMPO320F	Conduct civil construction excavator operations

ELECTIVE UNITS GROUP B

RIIMPO317F	Conduct roller operations
RIIMPO326E	Conduct water vehicle operations
RIIVEH304E	Conduct tip truck operations

ELECTIVE UNITS GROUP C

RIIWHS205E	Control traffic with stop-slow bat
------------	------------------------------------

UNNAMED ELECTIVES

RIIWHS302E	Implement traffic management plans
------------	------------------------------------

WITHDRAWING FROM A QUALIFICATION

You may withdraw from this qualification and receive, where relevant, a Statement of Attainment for all units of competency you have successfully completed.

SUPPORT SERVICES
