

VTP252 NT White Card

DESCRIPTION

Construction workers in the Northern Territory (NT) are required to undertake General Instruction Induction Training (GCIT) to obtain a NT White Card. The unit of competency undertaken in this Vocational Training Program (VTP) specifies the outcomes required to undertake Work Health Safety (WHS) induction training within the construction industry. It requires the ability to demonstrate personal awareness of WHS legislative requirements, basic principles of risk management and prevention of injury and illness.

ELIGIBILITY/ENTRY REQUIREMENTS

To gain entry into VTP252 NT White Card candidates require:

- A Unique Student Identifier usi.gov.au
- Enrolment via online or paper-based systems
- Enclosed footwear
- Note taking equipment

Statement of attainment must be taken to the Territory Business Centre office closest to you, within 60 days of issuance, to receive your NT White Card.

DELIVERY DETAILS

Location(s)	Duration*	Study mode
Casuarina Alice Springs Katherine Remote Locations	One day course for 12 people	Face-to-face

* Duration will vary depending upon how long a student takes to reach the required competency level.

2022 FEES

This course has a total of 6 hours, and thus the course cost is \$100.00.

Fees are subject to change annually. Indicative government-subsidised and full course fees are shown on this document. For further clarification and information on fees, payment options, instalment plans, and refunds, contact CDU on 1800 061 963 or refer to [VET Fees and Payments](#).

ASSESSMENT

You will be provided with an assessment guide.

RECOGNITION OF PRIOR LEARNING (RPL)

RPL is a process that determines whether the skills, knowledge and experience you've gained through your previous study, work or life experience can count towards a vocational training qualification at CDU. For more information, [VET RPL](#).

RESOURCES

Students are issued with Construction Induction White Card Learner Guides for the unit.

STUDY AND CAREER PATHWAYS

Successful completion of this unit can be used to meet the certification requirements stipulated by NT Worksafe and therefore provide you with a pathway to increased opportunities for employment and career advancement in a diverse range of occupations and positions across all industries where this licence is required.

Possible training pathways relevant to this program include:

- Trades assistant
- Labourer
- Electrician, Carpenter, Bricklayer, Plumber or Cabinet maker and
- All trades and related industry that require entry to construction sites across Australia

PROGRAM CONTENT

This training program covers 1 unit of competency taken from the CPC Training Package, which is recognised nationwide.

UNIT

CPCCWHS1001	Prepare to work safely in the Construction Industry
