

VTP417 Digital Media Content Design

DESCRIPTION

This course will provide you with the skills and knowledge required to experiment with digital imaging techniques and ideas to develop an individual style or voice.

The course applies to those who produce digital images for electronic media or physical/online display in art publications and galleries. They organise and finalise these digital images, evaluating their work and making required changes.

ELIGIBILITY/ENTRY REQUIREMENTS

There are no entry requirements for this qualification required by the Training Package, however CDU requires students to:

- Have access to Adobe Creative Suite.
- Undertake an LLN assessment to determine individual support requirements, if applicable.

DELIVERY DETAILS

Location(s)	Duration*	Study mode
Casuarina	1 Semester	Online and face-to-face Students can choose to attend classes on campus in Casuarina or completely external. All students will have access to Learnline to access training and assessment resources.

2022 FEES

The 2022 indicative fee for this course is \$420 for eligible students and receive an NT Domestic Subsidised place or \$1,500 for Domestic Full fee places.

Please note: A limited number of NT Government subsidy places are available for eligible NT domestic students, so contact us now to secure your place for 2022.

Fees are subject to change annually. Indicative government-subsidised and full course fees are shown on this document. For further clarification and information on fees, payment options, instalment plans, and refunds, contact CDU on 1800 061 963 or refer to [VET Fees and Payments](#).

ASSESSMENT

Assessments vary with each unit. You will be provided with an assessment guide.

RECOGNITION OF PRIOR LEARNING (RPL)

RPL is a process that determines whether the skills, knowledge and experience you've gained through your previous study, work or life experience can count towards a vocational training qualification at CDU. For more information, [VET RPL](#).

RESOURCES

Students are provided with online learning resources for each unit.

All students are required to utilise industry-standard Adobe Creative Cloud Apps; Illustrator and Photoshop, to successfully complete this course.

Both internal and external students can use Adobe-equipped MacLab machines at Orange 11 Building, Casuarina Campus, otherwise they must already have Adobe Illustrator and Adobe Photoshop licences purchased and activated before starting the course.

STUDY AND CAREER PATHWAYS

Completion of this course will equip students with advanced skills that may assist career development in digital media in areas such as content designers, graphic designers and social media designers.

Further training pathways from this program include, but are not limited to, CUA40420 Certificate IV in Live Production and Technical Services, CUA41320 Certificate IV in Visual Arts, or qualifications in Screen and Media.

PROGRAM CONTENT

This training program covers 2 units of competency taken from the CUA Training Package, which is recognised nationwide.

UNITS

CUADIG315	Produce digital images
CUADIG415	Produce innovative digital images

WITHDRAWING FROM A PROGRAM

You may withdraw from this program and receive, where relevant, a Statement of Attainment for all units of competency you have successfully completed.

SUPPORT SERVICES

The University supplies support for students in many areas, including Accommodation, Careers and Employability, Counselling, Disability Services, Student Advocacy, Indigenous Tutorial Support Services, International Student Support Services, Library Services, and VET Learner Support Services.

More information is available at [Student Support](#).
