

ACM20121 Certificate II in Animal Care

DESCRIPTION

This qualification describes the skills and knowledge for entry-level and support roles in the animal care and management industry, where workers provide care for animals in workplaces such as animal shelters, boarding/daycare facilities, sanctuaries, and veterinary clinics. The work activities are routine, performed under supervision, and within clearly defined guidelines.

No licensing, legislative, or certification requirements apply to this qualification at the time of publication.

ELIGIBILITY/ENTRY REQUIREMENTS

To ensure you have the right skills and support to succeed in your course, a Language, Literacy, and Numeracy (LL&N) evaluation helps identify any areas where you may need additional support to help you achieve your goals.

To gain entry into ACM20121 Certificate II in Animal Care as an Apprentice, candidates require:

- To be an Apprentice who has entered a Training Contract with their employer and Australian Apprenticeship Support Network NT.
- Complete placement in an animal care facility for 20 days over their studies.**

Students can undertake this course as non-Apprentices, candidates require;

- Complete placement in an animal care facility for 20 days over their studies.**

DELIVERY DETAILS

Location(s)	Duration*	Study mode
Katherine Rural Workplace Other	6-12 months Fulltime 12-18 months Parttime	Blended

* Duration will vary depending on how long a student takes to reach the required competency level.

** If you don't meet this requirement, contact the CDU delivery team/Lecturer to discuss your options.

Students engage with learning aspects of the course through Learnline, which is CDU's premier Learning Management System.

Candidates organise and complete a placement in an animal care facility for 20 days over their studies.

2024 FEES

FEES

Fee Type	2024 Course Fees
NT Government Supported*	\$1,620.60
Full Fee	\$6,570.00

*This course is supported by the NT Government for domestic eligible students who are NT residents. A limited number of NT Government supported places are available, so secure your place now.

ASSESSMENT

Assessments vary with each unit. You will be provided with an assessment guide.

RECOGNITION OF PRIOR LEARNING (RPL)

RPL is a process that determines whether the skills, knowledge, and experience you've gained through your previous study, work or life experience can count towards a vocational training qualification at CDU. For more information, [VET RPL](#).

RESOURCES

Students are required to obtain the BSAVA Textbook of Veterinary Nursing 6th Edition. This can be sourced online or by arrangement with CDU. The textbook/s provides the underpinning knowledge required for the units of competency.

Computer and internet access will be required to source information and complete assessments.

STUDY AND CAREER PATHWAYS

Further training pathways from this qualification include but are not limited to Certificate IV Veterinary Nursing.

Possible occupations relevant to this qualification include:

- dog groomer assistant
- animal care or pet shop attendant
- animal shelter attendant
- kennel hand or cattery attendant
- veterinary assistant
