

BSB40520 Certificate IV in Leadership and Management

DESCRIPTION

This qualification reflects the role of individuals working as developing and emerging leaders and managers in a range of enterprise and industry contexts.

As well as assuming responsibility for their own performance, individuals at this level are likely to provide leadership, guidance and support to others. They may also have some responsibility for organising and monitoring the output of teams.

They apply solutions to a defined range of predictable and unpredictable problems, and analyse and evaluate information from a variety of sources.

ELIGIBILITY/ENTRY REQUIREMENTS

Whilst there are no specific entry requirements, it is preferred individual possess a BSB30115 Certificate III in Business, or similar qualification; or have vocational experience in a business or management related role without holding a formal qualification.

A Pre-enrolment interview will be conducted, and your lecturer will determine options for study. A Language, Literacy and Numeracy (LLN) assessment is necessary to establish support requirements for all enrollees undertaking study of this qualification

To ensure you have the right skills and support to succeed in your course, a Language, Literacy and Numeracy (LL&N) evaluation helps identify any areas where you may need additional support to help you achieve your goals.
