VTP477 Snake ID, Capture and Relocate

DESCRIPTION

This short course will benefit people who regularly encounter snakes in their work and living spaces or individuals who would like to enhance their knowledge of snakes and reptiles in Australia. CDUs Snake ID, Capture, and Relocation training sets the standard for safely working with snakes in Australia and is suitable for people without any experience in dealing with wildlife. This two-day course will cover:

- Safely working with venomous and non-venomous reptiles.
- Introduction to snake ecology and methods for snake identification.
- Snakebite First Aid.

During this course, you will engage in practical experience with live snakes, which includes safe handling, restraint, and relocation techniques.

ELIGIBILITY/ENTRY REQUIREMENTS

To ensure you have the right skills and support to succeed in your course, a Language, Literacy and Numeracy (LL&N) evaluation helps identify any areas where you may need additional support to help you achieve your goals.

To gain entry into VTP477 Snake ID, capture and relocate, students should not be attending secondary school.

DELIVERY DETAILS

Location(s)	Duration*	Study mode
Katherine Rural Campus Alice Springs Casuarina Nhulunbuy Palmerston Tennant Creek Jabiru	2 Days	Face to Face

* Duration will vary depending on how long a student takes to reach the required competency level.

FEES

Fee Type	2024 Course Fees
Full Fee	$1,500.00

CHARLES DARWIN UNIVERSITY AUSTRALIA

Fees shown are indicative and subject to change annually. Actual course fees may vary depending on the units chosen. International non-student visa-holders; study eligibility needs to be verified before enrolment. Fees may vary depending on the visa type.

For further clarification and information on fees, payment options, instalment plans, and refunds, contact CDU on 1800 061 963 or refer to TAFE Fees and Payments.

ASSESSMENT

Assessments vary with each unit. You will be provided with an assessment guide.

RECOGNITION OF PRIOR LEARNING (RPL)

RPL is a process that determines whether the skills, knowledge and experience you've gained through your previous study, work or life experience can count towards a vocational training qualification at CDU. For more information, VET RPL.

RESOURCES

Students are issued with learning resources for this course.

STUDY AND CAREER PATHWAYS

The units of competency may be used towards completing a few Certificate III qualifications.

Possible occupations relevant to this qualification include:

- Wildlife ranger
- Park ranger
- Town council worker
- Remote operations
- Zookeeper

PROGRAM CONTENT

This training program covers three (03) units of competency taken from the ACM Animal Care and Management Training Package, which is recognised nationwide.

CORE UNITS

ACMEXH307	Release native wildlife to the natural environment
ACMARM402	Assess and impound animals
ACMBEH301	Identify behaviours and interact safely with animals

WITHDRAWING FROM A PROGRAM

You may withdraw from this program and receive, where relevant, a Statement of Attainment for all units of competency you have successfully completed.

SUPPORT SERVICES

The University supplies support for students in many areas, including Accommodation, Careers and Employability, Counselling, Disability Services, Student Advocacy, Indigenous Tutorial Support Services, International Student Support Services, Library Services, and VET Learner Support Services.
