

AHC40122 Certificate IV in Agriculture

DESCRIPTION

This qualification describes the skills and knowledge for supervisory/managerial job roles in the agriculture industry including farm supervisor, and farm team leader.

Individuals with this qualification perform tasks involving technical skills, problem solving and supervisory skills to operate, monitor and improve performance of agricultural systems and projects, and may supervise staff.

This qualification applies to individuals with existing agriculture industry experience and technical skills and knowledge gained through training or employment specifically in the agriculture industry. Work must comply with health and safety and environmental regulations and legislation that apply to the workplace.

No licensing, legislative or certification requirements apply to this qualification at the time of publication.

ELIGIBILITY/ENTRY REQUIREMENTS

A Language, Literacy, Numeracy and Digital Literacy (LLND) evaluation helps identify any areas where you may need additional support to help you achieve your goals.

To gain entry into AHC40122 - Certificate IV in Agriculture, candidates are required to:

- undertake a Language, Literacy, Numeracy (LLND) assessment to determine applicable support requirements.
- be fit, active, and able to function effectively in a tropical environment, as this is a physically demanding course; and
- have a work contract with an approved employer to undertake a traineeship.

Fees shown are indicative and subject to change annually. Actual course fees may vary depending on the units chosen. For International non-student visa-holders; study eligibility needs to be verified before enrolment. Fees may vary depending on the visa type. The course fee rates will vary for commercial contract arrangements.

For further clarification and information on fees, fee exemptions, payment options, instalment plans, and refunds, contact CDU on 1800 061 963 or refer to [TAFE Fees and Payments](#)

ASSESSMENT

Skills and knowledge assessments are an essential step in progressing through your course. You may be assessed in a number of ways including written assessment, questioning, portfolios, work samples, direct observation, practical assessments and third-party feedback.

Throughout your course you will receive information about assessments including how, when and where assessments will be conducted.

RECOGNITION OF PRIOR LEARNING (RPL)

RPL is a process that determines whether the skills, knowledge and experience you've gained through your previous study, work or life experience can count towards a vocational training qualification at CDU. For more information, [VET RPL](#).

CREDIT TRANSFER (CT)

Charles Darwin University as a Registered Training Organisation recognises the Australian Qualifications Framework qualifications and Statement of Attainments issued by any other Australian Registered Training Organisation (RTO).

Students are encouraged to submit any requests for credit from previous studies at the time of enrolment, to ensure they are not enrolling in units they may not need to undertake.

RESOURCES

Students are issued with learning materials and handouts relevant for the units but are required to provide some of their own protective clothing for working outdoors, i.e. hat, sunglasses, appropriate footwear, long trousers, and long sleeve shirt.

STUDY AND CAREER PATHWAYS

Further training pathways from this qualification include but are not limited to Diploma level qualifications related to agriculture and agribusiness.

Possible occupations relevant to this qualification include:

- Leading hand
- Head stockman
- Farm supervisor
- Shed supervisor
