

UEESS00174 Electrical Safety Testing of Electrical Cord Connected Equipment and Cord Assemblies Skill Set

DESCRIPTION

This Skill Set is designed for persons wishing to undertake the testing, tagging and reporting of portable/handheld low voltage (LV) electrical equipment using a portable appliance tester (PAT). These competencies are in addition to competencies already gained in the relevant field to which the electrical work is incidental or a primary and regular function of the work.

ELIGIBILITY/ENTRY REQUIREMENTS

A Language, Literacy, Numeracy and Digital Literacy (LLND) evaluation helps identify any areas where you may need additional support to help you achieve your goals.

DELIVERY DETAILS

Location(s)	Casuarina, Alice Springs
Duration*	2.5 days
Study mode ^^	Face-to-face, workplace simulation

* Duration may vary depending on how long a student takes to reach the required competency level.

^^ Course timetable will be provided on application for the course.

^^ Information relating to study modes can be found in the 2026 TAFE Student Guide

FEES

Fee Type	2026 Course Fees
NT Government Supported*	Not available for this course
Flat Fee	\$460.00

Fees shown are indicative and subject to change annually. Actual course fees may vary depending on the units chosen. For International non-student visa-holders; study eligibility needs to be verified before enrolment. Fees may vary depending on the visa type. The course fee rates will vary for commercial contract arrangements.

For further clarification and information on fees, fee exemptions, payment options, instalment plans, and refunds, contact CDU on 1800 061 963 or refer to [TAFE Fees and Payments](#)

ASSESSMENT

Skills and knowledge assessments are an essential step in progressing through your course. You may be assessed in a number of ways including written assessment, questioning, portfolios, work samples, direct observation, practical assessments and third-party feedback.

Throughout your course you will receive information about assessments including how, when and where assessments will be conducted.

RECOGNITION OF PRIOR LEARNING (RPL)

RPL is a process that determines whether the skills, knowledge and experience you've gained through your previous study, work or life experience can count towards a vocational training qualification at CDU. For more information, [VET RPL](#).

CREDIT TRANSFER (CT)

Charles Darwin University as a Registered Training Organisation recognises the Australian Qualifications Framework qualifications and Statement of Attainments issued by any other Australian Registered Training Organisation (RTO).

Students are encouraged to submit any requests for credit from previous studies at the time of enrolment, to ensure they are not enrolling in units they may not need to undertake.

RESOURCES

Students are issued with resources for each unit.

STUDY AND CAREER PATHWAYS

Further training pathways from this program include but are not limited to Certificate II, Certificate III and Certificate IV qualifications from the UEE Electrotechnology Training Package.

Possible occupations relevant to this Skill Set include:

- Test and tag Technician

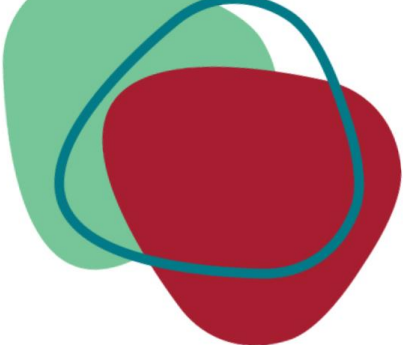

PROGRAM CONTENT

This training program covers two (2) units of competency taken from the UEE Electrotechnology Training Package, which is recognised nationwide.

UNITS

UEECD0007	Apply work health and safety regulations, codes and practices in the workplace
UEERL0003*	Conduct in-service safety testing of electrical cord connected equipment and cord assemblies

**UEECD0007 is a prerequisite for UEERL0003*

WITHDRAWING FROM A PROGRAM

You may withdraw from this program and receive, where relevant, a Statement of Attainment for all units of competency you have successfully completed.

SUPPORT SERVICES

The University provides support for students in many areas, including Accommodation, Careers and Employability, Counselling, Disability Services, Financial Support Services, Student Advocacy, Indigenous Tutorial Support Services, International Student Support Services, Library Services, and VET Learner Support Services.
