VTP418 Produce Screen Media

DESCRIPTION

This course will provide you with the skills and knowledge required to prepare, set up and shoot different screen content using professional camera equipment in a single camera environment.

The course applies to those who usually work without supervision, either as employees of a production house or as freelancers on assignment. Individuals often need to collaborate with producers, directors, and production professionals to achieve the camera, sound, and lighting outcomes of the shoot.

ELIGIBILITY/ENTRY REQUIREMENTS

A Language, Literacy, Numeracy and Digital Literacy (LLND) evaluation helps identify any areas where you may need additional support to help you achieve your goals.

There are no entry requirements for this course however students will be required to:

- Have access to a basic production kit, including a sound recording device, vision recording device and a lighting device.
- Undertake an LLND assessment to determine individual support requirements, if applicable.

ASSESSMENT

Skills and knowledge assessments are an essential step in progressing through your course. You may be assessed in a number of ways including written assessment, questioning , portfolios, work samples, direct observation, practical assessments and third-party feedback.

Throughout your course you will receive information about assessments including how, when and where assessments will be conducted.

RECOGNITION OF PRIOR LEARNING (RPL)

RPL is a process that determines whether the skills, knowledge and experience you've gained through your previous study, work or life experience can count towards a vocational training qualification at CDU. For more information, VET RPL.

CREDIT TRANSFER (CT)

Charles Darwin University as a Registered Training Organisation recognises the Australian Qualifications Framework qualifications and Statement of Attainments issued by any other Australian Registered Training Organisation (RTO).

Students are encouraged to submit any requests for credit from previous studies at the time of enrolment, to ensure they are not enrolling in units they may not need to undertake.

RESOURCES

Students will have 24/7 access to assessments and learning resources on Learnline, CDU's online learning platform. Before you can start using Learnline, you'll need to make sure that your computer has the correct setup. For more details: https://www.cdu.edu.au/current-students/services/learnline

Students will need to have access to either prosumer or professional video and audio production kit. At a minimum this may consist of a smartphone and camera app and a computer or tablet for editing. The

appropriate professional kit and resources will be available on campus however students may wish to purchase these additionally.
