# VTP531 Digital Story Telling

## DESCRIPTION

This course provides a basic understanding of the technologies, digital devices and software applications used in a typical working environment, allowing the user to select appropriately.

It describes the skills and knowledge required to use the technologies and standard document types to create an online presence including the use of industry-standard video capture hardware.

WHS issues in an office environment and user ergonomic requirements will also be covered.

## ELIGIBILITY/ENTRY REQUIREMENTS

A Language, Literacy, Numeracy and Digital Literacy (LLND) evaluation helps identify any areas where you may need additional support to help you achieve your goals.

To gain entry into VTP531 Digital Story Telling, candidates require:

- Basic computer skills
  o Knowledge of common computing terms and word processing
  o Proficiency with web browser software and sending/receiving e-mail, including e-mail with attachments
  o Familiarity with navigating the Internet
- Access to suitable technology for online training and online tutorial sessions

## ASSESSMENT

Skills and knowledge assessments are an essential step in progressing through your course. You may be assessed in a number of ways including written assessment, questioning , portfolios, work samples, direct observation, practical assessments and third-party feedback.

Throughout your course you will receive information about assessments including how, when and where assessments will be conducted.

## RECOGNITION OF PRIOR LEARNING (RPL)

RPL is a process that determines whether the skills, knowledge and experience you've gained through your previous study, work or life experience can count towards a vocational training qualification at CDU. For more information, VET RPL.

## CREDIT TRANSFER (CT)

Charles Darwin University as a Registered Training Organisation recognises the Australian Qualifications Framework qualifications and Statement of Attainments issued by any other Australian Registered Training Organisation (RTO).

Students are encouraged to submit any requests for credit from previous studies at the time of enrolment, to ensure they are not enrolling in units they may not need to undertake.

## RESOURCES

This program is delivered using MS Teams and CDU's Brambling website.

Costs involved for the students to obtain a computer with video conferencing capability (webcam, microphone and speakers or headset), recommended browser and internet plan to practice skills and complete assessment activities at home.

Students are able to download for free the MS Office 365 Suite of applications.

## STUDY AND CAREER PATHWAYS

Further training pathways from this program include but are not limited to ICT20120 Certificate II in Applied Digital Technologies.

VTP531 Digital Story Telling
2026 – Version 2
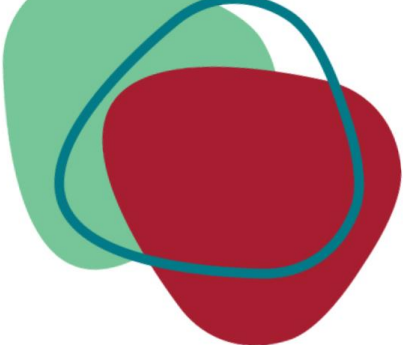

This course applies to those who perform a range of routine digital tasks in the various sectors of the business services industry. This course may assist students to further their career by increasing their knowledge and skills in a business and office environment.

The learnt skills are also useful for working from home either in business or personal interest activities.

## PROGRAM CONTENT

This training program covers three (3) units of competency taken from the ICT Information and Communications Technology Training Package, which is recognised nationwide.

## UNITS

| ICTICT222 | Research and share ICT solutions for indigenous users |
|-----------|-------------------------------------------------------|
| ICTWEB306 | Develop web presence using social media |
| CUADIG212 | Develop digital imaging skills |

## WITHDRAWING FROM A PROGRAM

You may withdraw from this program and receive, where relevant, a Statement of Attainment for all units of competency you have successfully completed.

## SUPPORT SERVICES

The University provides support for students in many areas, including Accommodation, Careers and Employability, Counselling, Disability Services, Financial Support Services, Student Advocacy, Indigenous Tutorial Support Services, International Student Support Services, Library Services, and VET Learner Support Services.

More information is available at Student Support - Life, Health and Wellbeing
