

# Indigenous Student Services – Tutorial Support Program

## End of Contract - Student Assessment Report

As part of your Tutorial Support contractual agreement, we require you to complete a compulsory End of Year Student Progress Report for each student you tutor.

Providing a high level of professionalism and quality support is a priority for the Tutorial Support Program. As it is a compulsory requirement of the contract, please provide honest feedback on your student and assist the Tutorial Support team in identifying any issues or concerns you may have with the student.

Your honest feedback can assist the team in further engagement and one – on –one pastoral support from the Indigenous Student Services Team. This is also an opportunity to provide feedback and ways we can improve on the Program. You have two weeks to complete the assessment.

Please rate each question with a score (1=Poor, 5=Average, 10=Excellent) and provide your reasons for this score.
