## **Bachelor of Humanitarian Aid and Development**

College of Indigenous Futures, Arts and Society

The Bachelor of Humanitarian Aid and Development is an inter-disciplinary degree will teach you to understand, critically analyse and apply concepts of community development, humanitarian practice and development aid. During the course, you'll study culture studies, sociology, ethics, indigenous knowledges, community development, international humanitarian assistance and development, project management, and language studies. Hands-on experience matters in the industry, which is why you'll complete a two-week intensive unit at our Casuarina campus in Darwin. This will give you the knowledge and practical skills to work in humanitarian assistance in your final year, you'll also complete a 400-hour placement with a community-based, humanitarian or development aid organisation in Australia or overseas. International placements are available with industry partners, including in the Asia-Pacific.  With an unprecedented number of displaced people across the world seeking life-saving relief, there is a growing need for skilled and trained humanitarian and development aid workers. This degree will give you the knowledge and skills to provide support for those affected by man-made and natural disasters, poverty and social injustice.  Sequirements  Credit Points  Sequirements  You are required to: Complete the 17 core units (180cps) and 6 units (60cps) from the specialist electives.  Compulsory core units totalling 180 credit points from units detailed below: HAD100 Introduction to Disasters, Humanitarian Aid and Development IA5101 Indigenous Australia PSY140 Introduction to Psychology SWK101 Introduction to Human Services HAD250 Humanitarian Needs Assessment HCS260 Fundamentals of Humanitarian Practice (WIL) (20cp) IAS201 Cultural Capabilities IAS222 Global Sociology MAN204 Project Management DEM301 Community-Based Risk Management in Context HCS365 From Theory to Practice – Aid and Development (capstone unit) IAS402 Intercultural Practice SWK301 Working with and Developing Communities SWK312 Social Research Methods SWK31	Course Structure
