

College of Nursing & Midwifery Quarterly Newsletter

DECEMBER 2019

We have had another busy three months in the College. There were 171 nursing and midwifery graduates at our Darwin graduation ceremony on October 18. We are very proud that our Bachelor of Nursing student – Karita McCarthy was awarded the Congress of Aboriginal and Torres Strait Islander Nurses and Midwives [CATSINaM] Student of the Year! Associate Professor Yvette Roe has been successful in a Churchill Fellowship for 2020. Our new postgraduate programs are now taking enrolments for 2020, we have welcomed international visitors at our CDU Sydney Campus and opened our new Brisbane office space. We will keep sharing all the inspiring good news stories and future College plans. If you are a student, alumni, clinical partner or key stakeholder please join our CDU community to connect, discover and grow.

Professor Catherine Turner AM
College Dean

NP19 NURSE PRACTITIONER WEEK 9-15 DECEMBER 2019

acnp Australian College of Nurse Practitioners

Nurse Practitioner Week (9-15th December)

On the 12 December every year, we celebrate Nurse Practitioner day. This is the date when Australia's first two Nurse Practitioners were endorsed in NSW in the year 2000. The Australian College of Nurse Practitioners (ACNP) have organised the 2019 Nurse Practitioner week (NP'19) between 9 - 15 December. The theme for the week is 'Nurse Practitioners much more than you know'. The week aims to increase knowledge and understanding about the role amongst the general population as well as amongst other health care professionals and key stakeholders.

Next year will be an exciting year for Nurse Practitioners with the College's new NP course commencing, 20 years of the NP role existing in Australia, and it is anticipated that the numbers of endorsed NPs will increase to more than 2000 nationwide.

Our new CDU Nurse Practitioner program commences in 2020 and is taking enrolments now.
