

# UESS00092 Restricted – Attachment of cords/cables and plugs to low voltage three phase electrical equipment

## DESCRIPTION

This skill set is designed for people wishing to attach flexible cords/cables and plugs for voltages operating up to 1000 V a.c. These competencies are in addition to competencies already gained in the relevant field to which the electrical work is incidental or a primary and regular function of the work. Learners will be developing skills in working safely on electrical cords and plugs, select and use testing and measuring devices; terminate and connect cords and plugs to Australian Standards; safety test and report on electrical cords and plugs.

## ENTRY REQUIREMENTS

Entry into this course will be strictly limited to holders of a letter of “training approval to study” from the NT Electrical Licensing Board, after applying to the board for a Restricted Electrical Licence. This letter of “training approval to study” will identify the units required by the NT Electrical Licensing Board to enable successful completion.

Learners must also either be in relevant employment or have access to appropriate workplace environments to achieve the completion requirements of this course.

An LLN evaluation will be conducted before enrolment, to determine suitability and/or support requirements for this course.

## DELIVERY DETAILS

Location (s)	Duration	Study mode
Casuarina Campus Alice Springs Campus	Delivered over 4-5 days. This time is only an estimate and may vary depending on the candidate's experience, and training delivery	This program will be delivered face-to-face. The assessments will be conducted face-to-face

## ELIGIBILITY

To be eligible for a free place, you must be:

- A resident in the Northern Territory, and
- An Australian Citizen or Permanent Resident or a New Zealand citizen resident in Australia for a minimum of six months or a Permanent Humanitarian visa holder, and
- At least 17 years of age (if you are 15 or 16 years of age, contact us, and we'll assess your eligibility)
- Apply & Enrol by **30 June 2020**

You will also need a [Unique Student Identifier](#) (USI) – apply now if you don't have one yet.

To find more information regarding eligibility for NTG subsidised training places, please visit the [Department of Trade, Business and Innovation policies page](#).

## FEES

This course is currently free for eligible NT domestic students.

Applications will be accepted between Monday 11 May and Tuesday 30 June 2020 for this free short course. If your application and enrolment are received after this period, standard tuition fees will apply.

Contact us now to secure your place.

## ASSESSMENT

Assessments vary with each unit. You will be provided with an assessment guide.

## RECOGNITION OF PRIOR LEARNING (RPL)

Students can apply for RPL during pre-enrolment or after enrolment. Students are provided with an RPL Self-Assessment before application and followed through with and an initial interview with an assessor.

## RESOURCES

Students will be issued with workbooks and a workplace evidence booklet.

Students will need to have the latest editions of the following standards:

AS/NZS 3000	Australia/New Zealand Wiring Rules.
AS/NZS 4836	Safe Working on or near LV installations.

## STUDY AND CAREER PATHWAYS

Further training pathways from this qualification include but are not limited to UEE30811.

Possible occupations relevant to this qualification include:

- Electrical Equipment Repairers.

## PROGRAM CONTENT

This Skill Set covers 3 units of competency taken from the UEE11 Training Package, which is recognised nationwide.

## UNITS

UEENEEE101A	Apply Occupational Health and Safety regulations, codes and practices in the workplace
UEENEEP024A	Attach cords and plugs to electrical equipment for connection to a single phase 230 Volt supply
UEENEEP025A	Attach cords, cables and plugs to electrical equipment for connection to 1000 Va.c. or 1500 Vd.c. supply

## WITHDRAWING FROM A QUALIFICATION

You may withdraw from this qualification and receive, where relevant, a Statement of Attainment for all units of competency you have successfully completed.

## SUPPORT SERVICES

The University supplies support for students in many areas, including Accommodation, Careers and Employment, Counselling, Disability Service, Equal Opportunity, Discrimination and Harassment advice, Australian Indigenous Student Support Services, Information Technology Services, International Student Support Services, Library Services, and Learner Support Services.
