

Tax in Australia (for International Students)

Why and how do we pay tax in Australia? How do you lodge your tax return? What is superannuation, and how important is it? How do you keep your tax file number safe and protect yourself from scams?

This customised session will be facilitated by the Australian Taxation Office (ATO) to help international students learn about Australian tax returns, keeping your tax file number safe and protecting yourself from scams. Our facilitator will answer your questions at this free and informative online session brought to you by the ATO.
