Network of Indigenous Partnerships

College of Engineering IT and Environment (CEITE)

The College Network of Indigenous Partnerships (NIP) supports Aboriginal and Torres Strait Islander members to grow and develop their skills and knowledge by:

providing discipline networking opportunities and supporting professional goals.

supporting teaching and research and developing initiatives that enhance cultural support and understanding across the College.

offering cultural and strategic advice to the College on programs, policy and initiatives for Indigenous students and other stakeholders.

helping students and staff access support offered by the central Indigenous student support unit.

The CEITE Network of Indigenous Partnerships is made up of staff, students, alumni and members of the broader Aboriginal and Torres Strait Islander community.
