What's happening on the day

STUDYING AT CDU SYDNEY CAMPUS

9am – 1pm	Information Technology Forge an IT career in network security, data analytics, web design and development, application development, information systems, networking or systems development. We offer ICT courses in data science, cyber-security, network, and software engineering and our degrees are accredited by the Australian Computer Society, so you know your qualification will be recognised nationwide.
	Midwifery Do you want to provide woman-centred, evidence-based care for women, babies and families throughout the childbearing journey in a variety of settings or with a focus on rural, remote and Indigenous? Study Midwifery at CDU and you can help to promote the health and wellbeing of women and their families as you learn from experts in the field.
	Nursing Do you have a passion for helping others? Study Nursing at CDU and you could be delivering care in local or remote communities and hospitals.
	CDU Global As a truly international university with 2,300 international students from over 70 countries, our students, staff and academic and research endeavours are globally connected and respected. If you are an international student, please come along and meeting the CDU Global team.

INTERACTIVE ACTIVITIES

9am – 1pm	Learn to swaddle a baby
	Human anatomy puzzle
	Nursing equipment quiz
10am, 11.30am, 12.30pm	CPR demonstration
10.30am, 12.00pm	First Aid demonstration

STUDENT SUPPORT

9am – 1pm	Student Central and Scholarships Is a one-stop-shop to find out about application and entry requirements, enrolment, alternative pathways to study, flexible study options and scholarships.
	CDU Library and Language and Learning Support Learn about the services offered by the CDU Library and the free study skills and study help services run by our Language and Learning Support team.
	Tertiary Enabling Program and Preparatory Studies Program TEP gives you the opportunity to develop the skills, knowledge and confidence you need for university. On completing the program, you will meet the minimum requirements for most CDU undergraduate degrees.

TOURS

10am, 11am	Campus tour Tour our state-of-the-art classrooms and collaborative spaces including our nursing lab and students areas.
Runs every half hour from 9.15am	Nursing and Midwifery Simulation Tour CDU's Nursing and Midwifery lab.

TALKS
