

# Emily Hutchinson

My name is Emily Hutchinson and I'm currently studying the tertiary enabling program as an external student with a goal of studying for a Bachelor of Arts. My time at CDU has enriched my life and I believe strongly in the role of education to empower people and arm them with the skills and knowledge to make a positive impact on the world. I have a background working in the performing arts and special needs education. As a mature external student, I am attuned to the difficulties faced by those whose paths to university have been challenging and I aim to be an enthusiastic representative for the external student body. With tenacity and empathy, let me be your voice, and together we can be part of CDU's exciting future.
