**JUNE 2025**

Semester 1 done! We hope everyone succeeded in their assignments and exams and are now enjoying the break! Whether you are working, travelling or just enjoying some down time, the CDU Student Council is still here, listening, keen to hear about your experience at CDU and ready to act to make your experience better.

## Meet your Undergraduate Officer

### **SURENDRA**

I want to ensure that every undergrad voice is heard in all matters. Having personally faced the challenges in Darwin, I understand the critical issues that must be addressed to make our campus and community safer.

## Meet your General Member

### **YASIN**

I am deeply motivated by the opportunity to serve and uplift the student community, I want to advocate for the needs of students while creating an inclusive and vibrant campus where everyone feels empowered to succeed.

## Meet your Postgraduate Officer

### **SANDIPAN**

What really gets me fired up is making our learning experience at CDU better, especially when it comes to those soft skills that are so crucial these days. I want to help bridge that gap between what we learn in class and what we'll face in the real world,
