ACTING ON YOUR SUGGESTIONS

Thank you so much for taking the time to let us know what you are thinking. Your entries, comments, concerns, suggestions and reflections, all dropped into the CDUSC Suggestion Boxes have been AWESOME! Keep them coming. 😊

Some of the actions taken as a result of your feedback:

- reporting issues about IT, aircon, cleanliness and signage to the Danala Campus Operations Officer.
- reporting issues to Library staff about aircon, availability of microwaves and monitors and asking for the table tennis table to be returned to the Casuarina Library.
- contributing to the Assessment Policy review, identifying that some assessments are given out with too little notice, causing stress.
- looking into how we can get free sanitary products, free coffee and free condoms to students!

Women's Spotlight

Meet Preeti, a Master of Electrical and Electronics Engineering student, who seems able to engineer time itself with so many extra-curricular activities alongside her studies. Read the full story at the CDUSC LinkedIn.
