Welcome to our first Newsletter for 2015.

**News**

1. **Library Staff**

In February we welcomed Kirsty Robertson as a permanent, part-time Client Services Officer, a role she held last year in a casual capacity. Kirsty works on Wednesday and Thursday evenings and Fridays and Saturdays.

On 19th December, we said farewell to Christine Hart, the Campus Librarian. Christine managed the Alice Springs Campus Library for three years, introducing many improvements to the Library collections and space during this time. We wish Christine all the very best in her retirement.

In March, Alex Williams was appointed to the position of Campus Librarian. Recruitment for the now-vacant Liaison Librarian position will begin shortly.

The Library Team (L-R): Leonie, Alex, Kirsty, Anu

2. Library Foyer Exhibition Space

From February to March, CDU Visual Art Lecturer Suzi Lyon displayed a series of ink and fungi wash working drawings from her time spent in the Svalbard Archipelago in the Arctic Circle, as part of the Arctic Circle Arts Residency Program in June 2014.

A collection of large-scale, charcoal still-life drawings by Certificate IV in Visual Arts students taught by Visual Arts Lecturer Henry Smith was displayed in March and April.

The Library Foyer Exhibition Space is available for exhibitions and events. Please contact Alex if you are interested in exhibiting art works in this space.
3. **New Student Printing Service**

A new printing and photocopying service for students is now available. Students can send print jobs to the new printer located in the Library Electronic Learning Centre from any device on campus, provided they are connected to the CDU network or wifi.

A current student ID card, which is automatically credited with $10, is required to operate the system. Students can obtain an ID card from the Info Shop.

4. **Library Space**

The Library received six new comfortable chairs in January. New seating areas have since been created, including a laptop lounging space, which is located near the magazine section and provides access to power points and data ports.

5. **Library Tours and Information Literacy Sessions**

The beginning of the academic year saw Library staff providing tours and introductions to the Library to a range of students. Over 50 Higher Education students attended the O-Week Library Tours on 25\textsuperscript{th} February, while approximately 20 students undertaking VET courses in Business attended earlier in the month. Students from the Adult Migrant English Program (AMEP) also participated in orientation sessions.

Information literacy classes have been delivered this year to a very wide range of students on topics including:

- e-books
- EndNote
- evaluating information sources
- referencing
- searching Summon and databases

Please contact Library staff if you would like to make an appointment for individual, small group or class visits.
6. Easter Egg Guessing Competition

Our Easter Egg Guessing Competition once again attracted a large number of entries. Congratulations to Shannon Cullen for the nearest guess of 160 eggs. The actual number was 155.

Library Events

On 13th February, the Library hosted a morning tea as part of National Library Lovers’ Day. A Books You’ll Love display took centre stage, which included books recommended by staff from across the Alice Springs Campus.

CDU and CSC staff members enjoy morning tea and a favourite book.
# Library Resources

We have added some fabulous new fiction to the Library collection over the last few months:

<table>

</tbody>
</table>

If you have any suggestions for new Library resources, you can place your request directly via [Purchase Request Form](#) on the Library website or send an email to Alex.
**LibGuides**

LibGuides are a great one-stop-shop of carefully evaluated information resources on subjects and topics for you and your students. The CDU LibGuides were upgraded in February and now sport a streamlined new look and enhanced features.

If you would like a LibGuide created especially for your subject or topic area, please contact Alex.
