

CDU End of Year Closedown 2018 - 2019

See below the University End of Year Closedown dates for 2018-2019.

As it is compulsory to take leave during the closedown period employees are not required to apply for leave, OPC will automatically deduct this period from leave balance.

The University encourages staff to take additional leave during these periods to recharge their batteries and take a break from work.

Employees required to work over these periods due to essential operations will need to submit a Re-credit of Leave Application through eCentre.
