“The primary objective of ENI’s support of AFL NT’s activities in Wadeye is mitigation of the risk that the [Blacktip] Project causes significant increases in vandalism and theft, leading to rises in negative youth engagement with the police and the justice system.” AFL NT (2016)
In an environment where there is no natural social order of production and distribution [emphasis added], grog, pornography and gambling often fill the void... A viable economy and real job prospects make education meaningful and point to a life beyond abuse and despair. Currently, there are too few jobs in these communities and land tenure arrangements work against developing a real economy.

NT Indigenous Affairs Minister Mal Brough, 2007
