“Pulse and Pause”: Researching the economic future of northern and remote Australia

Rolf Gerritsen, The Northern Institute, CDU
“Pulses” are regional and industry. Pauses may or may not last:

Eg  
Pearling – pause – cultured ind.
Pastoralism – 1960s – visc in 2020s?
Agric – various – future? (imp political driver)
Fishing – eg NPF – aquaculture
Mining
Tourism
General Theses:
1. General sectoral stasis
2. Persistence of Services
3. Some sectoral restructuring
   (eg Perth and mining/hydrocarbons)
Workforce from FiFO/DiDO to outsourcing?

FUTURE

Issue of amenity in location (vs employment)

North – Growth without development
