CASUARINA CAMPUS – NEW PROJECTS

THEATRE REFURBISHMENT

Project Manager: Ken Suter 8946 6309

The long awaited refurbishment of Orange 3 CDU Theatre is to commence in June 2015 and will include improved patron seating and acoustics, re vamp of the on-stage area, new breakout area and general refurbishment of existing areas.

Tender has been let and actual commencement date is expected to be May 2015 subject to re-location of DSO to Purple 5.

MAL NAIRN THEATRE

Project Manager: Tom Lacey 8946 6614

Project will include an up grade to AV technology and tidy up of the front of house area including foyer.

Project is to commence April 2015

ITMS RE-LOCATION

Project Manager: Ken Suter 8946 6309

It is proposed to refurbish Purple 3 to accommodate ITMS Operations. This project is planned to bring together all of the ITMS Operations under one roof. Conceptual design work is scheduled to commence March 2015.
PROJECT UPDATE

LIBRARY FORECOURT
Project Manager: Rik Jones 8946 6637

Library forecourt adjacent to the recently completed Menzies Building will be fitted out with shading and seating that will incorporate power points and wireless access to enhance the use of the facility as an external study area.

UNIPRINT RE-LOCATION
Project Manager: Rik Jones 8946 6637

Refurbishment of Purple 4 for the re-location of Uniprint is set to commence in April 2015. These works will require the demolition of some existing walls, the creation of new offices and re-purposing of the HVAC system.

COMPLETED PROJECTS
NEW FACILITY FOR CDU GROUNDS MAINTENANCE STAFF
Project Manager: Ranjith Dias 8946 6259
Construction: Asbuild Pty Ltd

New purpose designed facilities for CDU Grounds Maintenance have been constructed in the Pink precinct.

CASUARINA FIRE MAINS
Project Manager: Tom Lacey 8946 6114

After 2 long years of digging and installation of new pipe work and hydrants, Casuarina Fire Fighting system has been up-graded to current requirements.

PALMERSTON - THE HEIGHTS - LAND DEVELOPMENT
Project Manager: Ken Suter 8946 6309
Construction: CIC

To date 325 of the 360 lots released have been sold. A further 91 lots will be released for sale during March 2015. The development includes a retirement village of 60 retirement homes and Masonic Homes will commence this development during 2016. Also in 2016 it is planned to underground the high voltage power lines which currently cross the site. This will greatly improve the overall amenity.

If you have any queries regarding the above projects or need assistance with your refurbishment please contact the Project Managers or visit: - http://www.cdu.edu.au/fas/majorcapworks.html
